

We Believe the ART Transform

- cultural understanding helping people make connections around the world
- and stimulate downturned economies
- the work place, helping today's employees better innovate
- the lives of veterans, and their families helping build hope and well-being
- students into engaged learners and active thinkers
- poverty stricken areas into revitalized cultural districts
- the lives of at-risk youth by providing powerful tools to spark curiosity
- and stimulate healing and recovery from illness
- dialogues about diversity and help us celebrate of our differences
- our cities into beacons for world travelers

How do the ART Transform

- your community
- your local economy
- and empower today's young people
- students in your local school district
- your work place to be more creative
- your understanding of other cultures, religions, and races
- and inspire revitalization of areas in your city
- and enrich your experiences traveling the world
- the curiosity of a young person in your life
- the well-being or health of someone you care about
