A. PURPOSE AND INVITATION TO SUBMIT PROPOSALS

The City of West Hollywood, through its Arts Division, requests proposals from professional artists, curators, or non-profit arts organizations, to curate and install a temporary public art exhibition at the Santa Monica Boulevard at Doheny Drive median. Proposals may be artistic, cultural, or popular in nature and may (but are not required to) feature themes related to the City’s unique history. Proposals will be evaluated on the artistic merit, potential visual enjoyment, innovation/risk in concept and technical approach, and prospective social interaction. Artworks should have both a strong daytime and nighttime presence.

Individual artists, independent curators, and/or curators representing non-profit art organizations are invited to develop proposals for an engaging temporary public art exhibition for the City’s primary outdoor exhibition space. Qualified applicants will have experience and capability to perform the tasks described in the Scope of Work, Attachment A.

Artworks included in the exhibition proposal should be able to withstand the natural elements and be ready to install in a public setting. Delicate artworks that may be vulnerable to the elements and/or public interaction are not advisable for this setting.

The City will prepare the site, remove existing foundations, remove/relocate existing light elements, and construct new foundations to receive the approved public art exhibition. The term of this exhibition is expected to begin in Spring 2023 and conclude in June 2025, with the possibility to extend longer.

B. CULTURAL EQUITY STATEMENT

The City of West Hollywood’s Arts Division and Arts and Cultural Affairs Commission believe that all people in the City of West Hollywood have the right to celebrate and engage in meaningful and relevant arts and cultural experiences. Each member of the community should have access to the arts which reflect and nurture individual identities, affirm personal value, and foster belonging in the community. Arts and culture are foundational to quality of life and vibrant and resilient communities. Arts and culture have the power to enhance inclusion, engagement, and diversity, and contribute to positive outcomes across civic life. The right to participate freely in the cultural life of the community is recognized as a basic human right.
The Division and Commission’s definition of diversity includes all ways in which people differ, including but not limited to, race, ethnicity, gender, socioeconomic status, education, age, gender identity, gender expression, sexual orientation, ability, geography, citizenship status, religion, language, physical appearance, and the intersection of these various identities.

C. ELIGIBILITY
This is an open call to arts professionals based in the United States. BIPOC, women, LGBTQ+, and West Hollywood-based applicants are especially encouraged to apply. Proposals submitted by individuals or non-profit art organizations who have demonstrated abilities in curating, planning, implementing, and managing dynamic public art exhibitions will be considered. The qualified candidate will have strong organizational skills, excellent written communication skills, and experience in organizing exterior art installations of similar scope.

D. BUDGET
Proposals should include a competitive bid for the anticipated scope of work to include an all-inclusive budget to cover all costs associated with the exhibition including, but not limited to, artist fees, preparation of artworks for exhibition, engineering fees, transportation of artworks, installation, and de-installation services. The applicant should identify if they are prepared to provide structural engineering and electrical engineering documents or if they will require assistance from the city.

The City will remove existing foundations and remove/relocate light elements, to reconfigure the site to receive the approved public art exhibition. In addition, the City will provide installation of the new foundations, lighting, or other electrical requirements for the artworks. If the applicant is not able, the City will produce structural engineering documents for new foundations and electrical engineering documents for lighting elements required for the selected exhibition. The City will provide professional graphic design and photographic services for web based content, signage, and didactic material to accompany the exhibition, and fabricate and install such signage.

E. DEADLINE
Proposals should be received no later than 5:00 PM PST on Wednesday, July 6, 2022.

Any notice of cancellation or non-renewal of all Workers’ Compensation policies must be received by the CITY at least thirty (30) days prior to such change. The insurer shall agree to waive all rights of subrogation against the CITY, its officers, agents, employees, and volunteers for losses arising from work performed by the CONTRACTOR for City.

This provision shall not apply if the CONTRACTOR has no employees performing work under this Agreement. If the CONTRACTOR has no employees for the purposes of this Agreement, the CONTRACTOR shall sign the “Certificate of Exemption from Workers’ Compensation Insurance” which is attached hereto and incorporated herein by reference as “Exhibit B.”

8.1.2. General Liability Coverage. The CONTRACTOR shall maintain commercial general liability insurance in an amount of not less than one million dollars ($1,000,000) per occurrence for bodily injury, personal injury, and property damage. If a commercial general liability insurance form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit.

8.1.3. Automobile Liability Coverage. The CONTRACTOR shall maintain automobile liability insurance covering bodily injury and property damage for all activities of the CONTRACTOR arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired, and non-owned vehicles, in an amount of not less than three hundred thousand dollars ($300,000) combined single limit for each occurrence. If CONTRACTOR or CONTRACTOR’s employees will use personal autos in any way on this project, CONTRACTOR shall obtain evidence of personal auto liability coverage for each such person.
8.2. **Endorsements.** Each general liability and automobile liability insurance policy shall be issued by insurers possessing a Best’s rating of no less than A-.VII. Each general liability insurance policy shall be endorsed with the specific language of Section 8.2.1 below. CONTRACTOR also agrees to require all contractors, and subcontractors to do likewise.

8.2.1. “The CITY, its elected or appointed officers, officials, employees, agents, and volunteers are to be covered as additional insureds with respect to liability arising out of work performed by or on behalf of the CONTRACTOR, including materials, parts, or equipment furnished in connection with such work or operations.”

8.2.2. This policy shall be considered primary insurance as respects the CITY, its elected or appointed officers, officials, employees, agents, and volunteers. Any insurance maintained by the CITY, including any self-insured retention the CITY may have, shall be considered excess insurance only and shall not contribute with this policy.

8.2.3. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

8.2.4. Notwithstanding the provisions included in any of the ISO Additional Insured Endorsement forms, CONTRACTOR acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amounts of coverage required. Any insurance proceeds available to the CITY in excess of the limits and coverage required in this agreement and which is applicable to a given loss will be available to the CITY.

8.2.5. The insurer waives all rights of subrogation against the CITY, its elected or appointed officers, officials, employees, or agents regardless of the applicability of any insurance proceeds, and agrees to require all subcontractors to do likewise.

8.2.6. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents, or volunteers.

8.2.7. The insurance provided by this policy shall not be suspended, voided or reduced in coverage or in limits except after thirty (30) days’ written notice has been submitted to the CITY and approved of in writing, except in the case of cancellation, for which ten (10) days’ written notice shall be provided.

8.2.8. Contractor agrees to provide immediate notice to City of any claim or loss against Contractor arising out of the work performed under this agreement. City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve City.
8.3. **Self Insured Retention/Deductibles.** All policies required by this Agreement shall allow City, as additional insured, to satisfy the self-insured retention ("SIR") and/or deductible of the policy in lieu of the CONTRACTOR (as the named insured) should CONTRACTOR fail to pay the SIR or deductible requirements. The amount of the SIR or deductible shall be subject to the approval of the City Attorney and the Finance Director. CONTRACTOR understands and agrees that satisfaction of this requirement is an express condition precedent to the effectiveness of this Agreement. Failure by CONTRACTOR as primary insured to pay its SIR or deductible constitutes a material breach of this Agreement. Should City pay the SIR or deductible on CONTRACTOR’s behalf upon the CONTRACTOR’s failure or refusal to do so in order to secure defense and indemnification as an additional insured under the policy, City may include such amounts as damages in any action against CONTRACTOR for breach of this Agreement in addition to any other damages incurred by City due to the breach.

8.4. **Certificates of Insurance.** The CONTRACTOR shall provide certificates of insurance with original endorsements to the CITY as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the CITY on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the CITY at all times during the term of this Agreement. The CONTRACTOR shall provide written evidence of current automobile coverage to comply with the automobile insurance requirement.

8.5. **Failure to Procure Insurance.** Failure on the part of the CONTRACTOR to procure or maintain required insurance shall constitute a material breach of contract under which the CITY may terminate this Agreement pursuant to Section 6.2 above.

9. **ASSIGNMENT AND SUBCONTRACTING.** The parties recognize that a substantial inducement to the CITY for entering into this Agreement is the professional reputation, experience, and competence of the CONTRACTOR. Assignments of any or all rights, duties, or obligations of the CONTRACTOR under this Agreement will be permitted only with the express consent of the CITY. The CONTRACTOR shall not subcontract any portion of the work to be performed under this Agreement without the written authorization of the CITY. If the CITY consents to such subcontract, the CONTRACTOR shall be fully responsible to the CITY for all acts or omissions of the subcontractor. Nothing in this Agreement shall create any contractual relationship between the CITY and subcontractor nor shall it create any obligation on the part of the CITY to pay or to see to the payment of any monies due to any such subcontractor other than as otherwise is required by law.

10. **COMPLIANCE WITH LAWS, CODES, ORDINANCES, AND REGULATIONS.** The CONTRACTOR shall use the standard of care in its profession to comply with all applicable federal, state, and local laws, codes, ordinances, and regulations.

10.1. **Taxes.** The CONTRACTOR agrees to pay all required taxes on amounts paid to the CONTRACTOR under this Agreement, and to indemnify and hold the CITY harmless from any and all taxes, assessments, penalties, and interest asserted against the CITY by reason of the independent contractor
relationship created by this Agreement. In the event that the CITY is audited by any Federal or State agency regarding the independent contractor status of the CONTRACTOR and the audit in any way fails to sustain the validity of a wholly independent contractor relationship between the CITY and the CONTRACTOR, then the CONTRACTOR agrees to reimburse the CITY for all costs, including accounting and attorneys’ fees, arising out of such audit and any appeals relating thereto.

10.2. **Workers’ Compensation Law.** The CONTRACTOR shall fully comply with the workers’ compensation law regarding the CONTRACTOR and the CONTRACTOR’s employees. The CONTRACTOR further agrees to indemnify and hold the CITY harmless from any failure of the CONTRACTOR to comply with applicable workers’ compensation laws. The CITY shall have the right to offset against the amount of any compensation due to the CONTRACTOR under this Agreement any amount due to the CITY from the CONTRACTOR as a result of the CONTRACTOR’s failure to promptly pay to the CITY any reimbursement or indemnification arising under this Section.

10.3. **Licenses.** The CONTRACTOR represents and warrants to the CITY that it has all licenses, permits, qualifications, insurance, and approvals of whatsoever nature which are legally required of the CONTRACTOR to practice its profession. The CONTRACTOR shall maintain a City of West Hollywood business license, if required under CITY ordinance.

10.4. **Code of Ethics.** CONTRACTOR hereby affirms that it will abide by the provisions of the West Hollywood Code of Ethics throughout the term of this Agreement. A copy of the Code of Ethics is attached as Exhibit E.

11. **CONFLICT OF INTEREST.** The CONTRACTOR confirms that it has no financial, contractual, or other interest or obligation that conflicts with or is harmful to performance of its obligations under this Agreement. The CONTRACTOR shall not during the term of this Agreement knowingly obtain such an interest or incur such an obligation, nor shall it employ or subcontract with any person for performance of this Agreement who has such incompatible interest or obligation.

12. **NON-DISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY.** The CONTRACTOR represents and agrees that it does not and will not discriminate against any employee or applicant for employment because of race, religion, color, national origin, sex, sexual orientation, gender identity, political affiliation or opinion, medical condition, or pregnancy or pregnancy-related condition. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religion, color, national origin, sex, sexual orientation, gender identity, political affiliation or opinion, medical condition, or pregnancy or pregnancy-related condition. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoffs or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
The CONTRACTOR agrees to include in all solicitations or advertisements for employment and to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

14. **EQUAL BENEFITS ORDINANCE, No. 03-662.** The CONTRACTOR shall abide by the provisions of the West Hollywood Equal Benefits Ordinance. During the term of this Agreement, the CONTRACTOR shall keep on file sufficient evidence of its employee compensation and any applicable benefits packages, as those benefits relate to the coverage of the domestic partners of contractor's employees, which shall include; bereavement leave; family medical leave, and health insurance benefits, to enable verification of compliance with the West Hollywood Equal Benefits Ordinance.

15. **RESTRICTIONS: Arab League Boycott of Israel.** The CONTRACTOR hereby affirms it does not honor the Arab League Boycott of Israel.

16. **RECORDS AND AUDITS.** The CONTRACTOR shall maintain accounts and records, including personnel, property, and financial records, adequate to identify and account for all costs pertaining to this Agreement and such other records as may be deemed necessary by the CITY or any authorized representative. All records shall be made available at the request of the CITY, with reasonable notice, during regular business hours, and shall be retained by the CONTRACTOR for a period of three years after the expiration of this Agreement.

The CITY shall have the sole right to use such materials in its discretion and without further compensation to the CONTRACTOR, but any re-use of such documents by the CITY on any other project without prior written consent of the CONTRACTOR shall be at the sole risk of the CITY.
