Opportunities for Art Activation, Zone 1 & Zone 2.
Functionally, the arena is purpose-built and designed to host a myriad of events.

The concourse/main hall serves as the heart of the facility, seamlessly connecting to a festive plaza that accommodates year-round programming through indoor-outdoor activations.

The double-height atrium offers a visual gateway to the breathtaking vistas of the Rockies and the Riverdale Park plains.
Mezzanine Level Room Classification

The focal point of the arena is the multi-flex horseshoe arena, technologically optimized for various venue configurations. This innovative design ensures the complex remains a magnet for regional interest, captivating audiences for generations to come. Whether hosting sports events, cultural performances, or community gatherings, the arena adapts effortlessly, solidifying its role as a dynamic and enduring hub.

The mezzanine with east and west-anchored covered patios offers views of the Rockies and Riverdale Regional Park.
