REQUEST FOR QUALIFICATIONS
TEMPORARY PUBLIC ART
CONNECTICUT AVENUE
Calling all emerging and mid-career artists. The Golden Triangle Business Improvement District (BID) and the Smithsonian American Women’s History Initiative invite you to submit your qualifications to be considered for a public art project to be installed along Connecticut Avenue in 2020. We’re seeking one project that aims to pay tribute to women and their history in our shared public spaces. The artworks will be located in the heart of DC’s central business district on the Connecticut Avenue Median (at K Street NW).

Both new and existing works are eligible.

Budgets of up to $35,000 will be considered for the projects. Fees for artists/artist teams cannot exceed 20% of the total project budget. Up to five semi-finalists may be selected to create concept proposals. Finalists will receive a design proposal stipend.

ART SELECTION & APPROVAL PROCESS
The Golden Triangle BID will convene an Advisory Panel to recommend artists based on their qualifications, artistic merit, prior work experience, and professionalism necessary to complete these projects. Representatives from the Smithsonian Institution, the area community, and other experts in the field will review submissions.

The final design proposals will be subject to the review of the U.S. Commission of Fine Arts (CFA), National Capital Planning Commission, and DC Department of Transportation. Upon approval of the concept design, the selected artists, and representatives from the Golden Triangle BID will determine the best strategy for obtaining the required permits. The artist whose design is approved will then enter into an agreement with the Golden Triangle BID for the fabrication, installation, and programming of artwork. The artists/teams may subcontract with artwork fabricator(s) and installer(s). These projects are contingent upon funding availability and permitting.
