

NEIGHBORHOOD ART INITIATIVE

HEIGHTS LINE | CALL TO ARTISTS

UAC and the City of Memphis, in partnership with The Heights CDC, are seeking an artist to create a gateway sculpture for the Heights Line.

The preferred location for the sculpture is at the corner of National Street and Summer Avenue, which is the southern entrance to the Heights Line. The Heights Line project strives to revitalize National Street through people-focused design.

Deadline: Monday, April 29, 2024 at 11:59pm

Total Budget: \$90,000 (includes three finalist honoraria of \$1000 each)

Any artist living and working within 250 miles of the Memphis metropolitan area. Artists are invited to submit collaborative work if desired, but may only submit one proposal per project opportunity. While there is no limit to the number of calls an artist may apply to at once, UAC strongly encourages artists to consider both the time and scale of each call.
