THE CONCERT OF IDEAS (35 to 135 or up to a 1000; 80-90 minutes in length): Featuring grand, exciting, and brilliant music performed by our award-winning artists, the Concert of Ideas is a world-class concert performance. Music by composers such as Copland, Bernstein, Gershwin, and Rachmaninoff, and Broadway showstoppers are essential ingredients of the Concert of Ideas. Woven through the music and creatively juxtaposed to leverage our imaginations, audiences discover equally brilliant contributions from thinkers such as Einstein, Picasso, Shakespeare, Cervantes, Margaret Mead, James Baldwin, and Langston Hughes.

This state-of-the-art keynote plenary session embodies a set of artful triggers to set minds and hearts in curious exploratory motion. Participants are invited to think deeply, to entertain new perspectives, and, ultimately, to enter thoughtful dialogue with one another. Thoroughly original in concept and execution, the Concert of Ideas is a spark to new thinking, wholehearted engagement and a catalyst for change.

DEEP DIVE EXTENSION WORKSHOPS (15-40 persons; workshops can be scheduled concurrently.): These workshops provide the opportunity to explore further any of a dozen topics of contemporary value including: Leadership Thinking; Perceiving and Decision-Making; Diversity, Adversity and Community; Top Form: Risk-Focus-Flow; Inner Balance: Stress Management and Peak Performance; The Hero’s Journey in Business and in Life; and more. Past Clients Include: The White House, the United Nations, the Aspen Institute, the Earth Summit, and dozens of corporations and universities on five continents, including Pfizer, IBM, GE, Starbucks, McDonnell Douglas, the SC Johnson Company, Chase Bank, Citibank, Columbia University, and the Wharton School, among many others.
