PROJECT SUMMARY

The [Wonsook Kim College of Fine Arts](#) “foster(s) curiosity and critical thinking, illuminating the human experience through collaboration, applied learning, and artistic practice.” It includes the School of Music, Wonsook Kim School of Art, School of Theatre and Dance, and the Creative Technologies Program. In addition, the [Illinois Shakespeare Festival](#), [University Galleries](#), [Design Streak](#), [Normal Editions Workshop](#), and the [String Project](#) celebrate the arts and community collaborations.

The College has a rich history with pivotal exhibitions and publications from artists David Wojnarowicz, Keith Haring, Terry Adkins, Jen Bervin, and Bethany Collins; Red Note Music Festival performances by Ensemble Dal Niente and Left Coast Chamber Ensemble; and 44 years of Illinois Shakespeare Festival performances. Distinguished alumni include Steppenwolf Theater cofounders Terry Kinney and Jeff Perry, and founding member Tom Irwin; actors Francois Battiste, Laurie Metcalf, Jane Lynch, John Malkovich, Sean Hayes,

Cecilia Suarez, and Gary Cole; artists Terry Adkins and Wonsook Kim; arts administrator and curator Lourdes Ramos; opera singer Greg Kunde; and choreographer Randy Duncan.

The Fine Arts Complex is currently made up of four joined buildings: Center for Visual Arts, Centennial West, Centennial East, and the Center for Performing Arts. This project consists of three complete additions and several areas of renovations and improvements to the Complex.

The three additions are the Center for Visual Arts addition, the Center for Performing Arts addition, and the Commons addition. The existing Center for Visual Arts and Centennial East buildings will see improvements to their teaching, exhibition, and performance spaces. Centennial West is to be demolished.

PROJECT SITE

The College would like to commission **two pieces** for this project--one interior and one exterior.

The commissions may be awarded to two artists. Artists may apply for both commissions.

The pieces will bridge internal and external nexuses for the College. Conceptually, they will suggest contemporary themes of interdisciplinarity within fine arts disciplines—inventing, making, teaching, and performing.

INTERIOR

The interior piece, pieces, or installation will be located in the east-west corridor of the new Commons area that connects Centennial East and the Center for the Visual Arts.

Interior Artwork Budget: \$90,000

EXTERIOR

The exterior piece, pieces, or installation will be located on the north of the new Commons Building. Exterior Artwork Budget: \$200,000

All artwork, interior and exterior, must meet the requirements of the Americans with Disabilities Act and the Illinois Accessibility Code.

More information about the artwork areas is located at the end of the RFQ.

ARTISTIC OBJECTIVES

Everyday encounters with public art can have a deep and lasting impact on an individual's daily life, help bring communities together, and nurture a feeling of belonging.

The Committee is interested in pieces or installations that will help foster vibrant, equitable, and inclusive collaborations and communities within the Wonsook Kim College of Fine Arts and throughout the ISU campus.

The pieces must be durable, safe, and cost effective to maintain with limited annual maintenance.

BUDGET DETAILS

The budgets for the project are:

- . Interior Artwork Budget: \$90,000
- . Exterior Artwork Budget: \$200,000

These budgets cover all expenses associated with, but not limited to the project design, labor, fabrication, project management, materials, tools, contracted services, operations and meetings, and travel required to complete the artwork plus installation, related permits,

licenses, taxes and insurance, and transportation and delivery of the work to the site, as well as documentation of the completed project. Any expense that exceeds the contracted amount will be the artist's responsibility.

The artists are responsible for working with the Capital Development Board Art-in-Architecture Program, the using agency, and other relevant partners to oversee all aspects of the art installation.

SELECTION PROCESS

At least three artists/teams will be selected for each project—a total of at least six artists/teams—from the pool of eligible artists/teams and are each paid a fee to develop and present site specific proposals.

- . Interior Artwork Design Stipend: \$1,000
- . Exterior Artwork Design Stipend: \$3,500
